

## **Texas Education Savings Accounts (ESA) – Making Catholic Education Affordable**

The Texas Education Savings Account (ESA) program is a groundbreaking opportunity for families who desire a Catholic education but have struggled with cost. Beginning in 2026, the state will provide qualified families financial support so parents can choose the best school for their child.

### **Key components of the ESA Program include:**

Open to all Texas children, with priority given to students with disabilities and lower-income households.

Families can receive approximately \$10,000 per student each year for tuition, textbooks, tutoring, uniforms, and more.

Children with disabilities may qualify for up to \$30,000/year.

The Texas ESA program begins in 2026—don't miss this opportunity! Visit with your Catholic school today to explore enrollment options and be ready when ESA funding becomes available.
