

## Parents Know Best

The new Texas Education Savings Account (ESA) program is a major step forward for families who want the best for their children. Parents are empowered to ensure school funding will follow your child.

### **Your Child. Your Choice. Your ESA.**

Beginning in 2026, Texas ESAs will be available to all families, with priority for students with disabilities and low-income households. Most qualifying students will receive about \$10,000 each year to use for tuition, textbooks, tutors, uniforms, and other approved educational expenses. Children with disabilities may receive up to \$30,000 in funding.

Learn more by visiting your local Catholic school to see if a Texas ESA can help your family in the 2026-2027 school year.
