

Invest in Your Child's Faith and Future with ESA Support

Catholic schools provide more than academics. They form students in faith, discipline, and virtue, preparing them as the saints of tomorrow. Education Savings Accounts (ESAs) empower parents by ensuring school funding will follow your child.

Beginning in 2026, Texas Education Savings Accounts (ESAs) will be available to all families, with priority for students with disabilities and low-income households. Most qualifying students will receive about \$10,000 each year for tuition, textbooks, tutors, uniforms, and other approved educational expenses. Children with disabilities may receive up to \$30,000.
